TEN YEAR TEAM FOOTBALL

May 1st, 1986

To mark the 10th anniversary of the pursuit of excellence in varsity sports at Concordia University, Director of Athletics, Dr. Edmund F. Enos has announced all-ten year teams.

Twenty eight outstanding athletes have been named to the ten year football team. Among the all-stars are Nick Benjamin who established a Concordia record when he was picked first overall in the 1985 CFL draft. He played for the Stingers from 1981 to 1984 and was a two time all-Canadian. Larry Tittley, a 10 year CFL veteran center, also wore the Concordia uniform and has been named to the team. Greg Miller, who has just completed an exceptional five year career with the Stingers, earned a spot on the ten-year team in the linebacker position. Miller will be making the jump from university to professional football this season. He is the property of the Winnipeg Blue Bombers.
